## Dickowita Fisheries Harbour

This year's exhibition venue will be the fully pledged newly constructed fisheries harbour at Dickowita, owned and managed by the Ceylon Fisheries Harbour Corporation.

It has a basin area of 11.7 hectares and a port area of 801 hectares. Harbour mouth of this harbour is 50 m wide with depth of 6m. As in many other fishery harbours of the world this harbour too has two basins. Dickowita fishery harbour has two terminals, the South and the North as such. South terminal is of 05 hectares in extent and a depth of 05 meters, and is in accordance with International standards to unload the fish harvested by trawlers. It is the International area of the harbour.

## Boat Show & Fisheries Exhibition Sri Lanka 2016

South Asia's most focused and largest international boat and fisheries exhibition, sets sails to facilitate boat manufacturers, accessory suppliers and fisheries sector to promote their products and services to a target audience in the local and international markets. The 5th edition of the boat show and fisheries exhibition Sri Lanka will platform to develop the boating industry and promote the leisure and pleasure boating sector with the assurance of promoting Sri Lanka as a main boating hub in South Asia and producer / exporter of fisheries products.

Following the success of Boat Show Sri Lanka 2008, 2010, 2012 and 2014 the upcoming exhibition will further improve its standards while attracting large numbers of buyers along with boating enthusiasts and industry professionals from different countries such as India, Pakistan, Maldives, Bangladesh, Singapore, Seychelles, Mauritius, South Korea, China, Germany, Netherlands, UK among others. Boat Show & Fisheries Exhibition Sri Lanka 2016 will be the only exhibition held in Sri Lanka to develop the boating market by showcasing the latest products, technology and services in the boating & fisheries world.

"Let's meet again to reap the benefits of a rising star economy in South Asia"

## World Export Development Forum

The Boat Show and Fisheries exhibition 2016 will be visited by the delegates who are attending the world export development forum organized by the International Trade Centre.

This 16th edition of WEDF is co-hosted by ITC and the Ministry of Development Strategies and International Trade of Sri Lanka, through the Sri Lanka Export Development Board (EDB).

As the flagship event of the International Trade Centre (ITC), WEDF brings together over 600 business leaders, policymakers, heads of trade and investment support institutions and international trade development officials to address international competitiveness for developing countries.

These delegates will be visiting the Boat Show subsequent to their participation at the WEDF on 12th and 13th October 2016.
